**Legal additions:**

The costs of the services provided by the Bank to the Customer exceeding the usual extent, in particular the costs of any official proceedings, the costs of hiring an intermediary, legal and other expert costs, postage and fees, shall be borne by the Customer.

Fees and commissions charged by the bank are not debited to the CIB Csemete Savings Account. The following transactions that result in a reduction of the balance of the CIB Csemete Savings Account are considered a debit (debit Transaction): cash withdrawal made by the Bank to the account, interbank transfer via GIRO, intrabank transfer and transfer between the Customer's own accounts with CIB Bank. A debit is also considered a debit if the bank debits the CIB Csemete Savings Account because the bank exercises its right of set-off in respect of its claims against the Business Customer.

Termination of bank account: If the amount that may be returned after the termination/expiry of the Bank Account (e.g. pro rata account management fee, card fee, etc.) is lower than the fee payable to the bank for the payment/transfer of the amount according to the List of Conditions in force at the time, the payment/transfer is free of charge. Otherwise, the amount of the payment/transfer shall be reduced by the fee set out in the List of Conditions in force at the time.

1. The CIB Csemete Savings Account may be applied for a Customer of the Bank who has not yet reached the age of 14 at the time of opening the Account.

2. CIB Bank is a member of the National Deposit Insurance Fund (NDIF), so its deposits are insured under the Act CCXXXVII of 2013 on Credit Institutions and Financial Enterprises.. The Bank calculates interest based on the number of days actually elapsed and 365 days per year.  
In the event of termination of the Savings Account, no interest will be payable for the period from the last Banking Day of the month preceding the calendar month of termination to the Banking Day preceding the day of termination, i.e. for a fraction of a month.
3. In all cases, the first paper extract for a given month is free of charge.
4. The Statutory Representative may dispose of the CIB Csemete Savings Account up to the positive balance of the CIB Csemete Savings Account, up to a maximum of forty-five times the amount of the social projection fund - currently HUF 1,282,500 - as defined in Article 26/B (3) of Government Decree 149/1997 (IX./10) on guardianship authorities and child protection and guardianship proceedings.
5. The Bank assumes no obligation to execute large cash withdrawals at a time that has not been agreed in advance. Notice of withdrawals of large amounts of cash must be given to the Bank in advance, either verbally (by telephone, CIB24/in person) or in writing as follows:  
Giving advance notice of the withdrawal of large sums of cash:

Deadline for giving notice		Daily amount of cash withdrawal		
		HUF	EUR, USD	Other
1 bank working day before the withdrawal	Monday-Thursday up to 15:00	1,000,000 – 10,000,000	1,000 – 5,000	Up to the equivalent of USD 5,000
2 bank working days before the withdrawal	Friday up to 14:00	Over 10,000,000	Over 5,000	Over the equivalent of USD 5,000

6. The CIB Mobilbank monthly subscription fee is per telephone number. In the case of the Account Monitoring service, the bank sends an SMS for transactions above HUF 500. This limit can be freely changed by the customer via CIB24, or in the branch. Monthly fees for the service are charged first on the day of the start of the service and then monthly on the day of the service application.
  7. The SMS fee is charged based on the number of SMS sent by the bank. The SMS fee will be charged in one lump sum per month starting from the day of the service request.
  8. In addition to the commission payable on foreign currency transactions involving the Client's Bank Account, any out-of-pocket expenses (e.g. postal charges, DHL courier charges, etc.) related to the executed transactions, as well as any justified fees and commissions incurred due to the involvement of an intermediary bank or banks may – as chosen by the Parties – be charged either to the Client or to the Originator of the foreign currency transaction. (These include, in the case of outgoing foreign-currency payments to destination countries that use the IBAN international bank account number format, the fee charged by the foreign bank if the beneficiary's IBAN-format account number was indicated erroneously on, or omitted from, the payment order.) In case of transfers outside the EEA, if the Client agrees to pay all the fees and charges associated with the transfer, the Client must ensure that sufficient funds are available on the designated account to cover such costs. The precise amounts of the fees and charges differ from bank to bank. Upon fulfilment, the HUF value of the foreign currency transfer fees and costs (e.g. SWIFT), as well as any justified fees and commission incurred due to the involvement of an intermediary bank/banks, financial or other institutions (e.g. surcharge of manual processed transfers), are
