Notice of withdrawals of large amounts of cash must be given to the Bank in advance, either verbally (by telephone, CIB24/in person) or in writing as follows:

Giving advance notice of the withdrawal of large sums of cash:

Deadline for giving notice		Daily amount of cash withdrawal

6. In addition to the commission payable on foreign currency transactions involving the Client's Bank Account, any out-of-pocket expenses (e.g. postal charges, DHL courier charges, etc.) related to the executed transactions, as well as any justified fees and commissions incurred due to the involvement of an intermediary bank or banks may – as chosen by the Parties – be charged either to the Client or to the Originator of the foreign currency transaction. (These include, in the case of outgoing foreign-currency payments to destination countries that use the IBAN international bank account number format, the fee charged by the foreign bank if the beneficiary's IBAN-format account number was indicated erroneously on, or omitted from, the payment order.) In case of transfers outside the EEA, if the Client agrees to pay all the fees and charges associated with the transfer, the Client must ensure that sufficient funds are available on the designated account to cover such costs. The precise amounts of the fees and charges differ from bank to bank. Upon fulfilment, the HUF value of the foreign currency transfer fees and costs (e.g. SWIFT), as well as any justified fees and commission incurred due to the involvement of an intermediary bank/banks, financial or other institutions (e.g. surcharge of manual processed transfers), are charged to the Client as and when they arise. These costs can arise in both outbound and inbound foreign currency transfers and can therefore be debited. Transfer orders submitted on a transfer order form are accepted by CIB Bank only on a special foreign currency transfer order form.
7. CIB Bank's sell/buy foreign exchange rate valid on the date of debiting the account is applied to calculate the amount of orders submitted in a currency different from that of the account debited.
