2. The Bank assumes no obligation to execute large cash withdrawals at a time that has not been agreed in advance.

Notice of withdrawals of large amounts of cash must be given to the Bank in advance, either verbally (by telephone, CIB24/in person) or in writing as follows:

Giving advance notice of the withdrawal of large sums of cash:

Deadline for giving notice		Daily amount of cash withdrawal		
		HUF	EUR, USD	Other

3. In addition to the commissions related to foreign exchange transactions performed on the Client's bank account, the bank account of the Client or the Initiator of the foreign exchange transaction – as agreed by the Parties – will be charged with any incidental expenses related to the transactions performed (e.g. postal or DHL costs), and with the costs and commissions justifiably charged by the bank(s) involved in the execution of the transaction. (This also includes, in the case of outgoing FCY payments to destination countries that use the IBAN international bank account number format, the fee of approx. EUR 5-15, charged by the foreign bank if the beneficiary's account number was indicated incorrectly, or indicated in non-IBAN format, on the payment order.) In case of transfers outside the EEA, if the Client undertakes to pay all the costs associated with the transfer, he must ensure the availability of sufficient funds to cover such costs. The precise extent of such costs differs from bank to bank. The HUF equivalent of FCY transfer commissions and (e.g. SWIFT) costs are debited at the time of execution, and any justifiably charged cost and commission claims of banks, financial institutions or other institutions involved in the arrangement of the transaction (e.g. additional fees charged in respect of transfers that require manual processing by them) are debited as and when they arise. These costs can arise in both outbound and inbound foreign currency transfers and can therefore be debited. Transfer orders submitted on a transfer order form are accepted by CIB Bank only on a special foreign currency transfer order form.

4. CIB Bank's sell/buy foreign exchange rate valid on the date of debiting the account is applied to calculate the amount of orders submitted in a currency different from that of the account debited.

The Bank is only able to provide the Client with advance information on the deadlines of third-party banks' procedures in respect of which it has information.
 10. Besides the commission related to the given transaction, the Principal's bank account is debited with the costs and commissions lawfully charged by Magyar Posta Zrt. that arise in connection with the executed transaction, and which are debited at the time they arise. An exception is Magyar Posta's fee charged for each money order, which is debited from the forint account at the same time as the transfer, and the payment-order's postal production fee, which is charged to the forint account at the start of the month following the month of performance together with the account management fee.

management fee is still HUF 1 130 in both cases. In the case of at least 30 purchase transactions with a debit or credit card, the extent of the free reimbursement is: 50%, meaning that the monthly account-management fee after the fee reimbursement is: HUF 565.
